

EISA PRODUCT REPLACEMENT GUIDE

General Service Incandescent Lamps

Replacement Guide

The products affected by the Energy Independent and Security Act of 2007 are listed in the first column below in **RED**. Bulbrite is proud to offer a full line of compliant halogen, compact fluorescent and LED replacements listed in the columns to the right of the affected lamps. All replacement lamps are recommended based on the closest lumen output to the affected lamps.

This lamp will no longer be manufactured after the listed impact date according to the 2007 Energy Independence and Security Act.

Due to the nature of CFL and LED technology, there may be application issues which prohibit CFL and LED lamps from being used as direct replacements for incandescent lamps. Please contact Bulbrite at 1-800-528-5555 for more information.
